We help around the school. We are also the leaders around the school.

How to become an Ambassador

To become an ambassador you have to apply, and be a good A's and B's student, follow the behavior matrix, and want to help others.

Once you become an ambassador you will receive a job assignment.

- Each ambassador is responsible for completing their job twice a week.

Ambassador Jobs

Ambassadors love to do their jobs such as teachers aid and newspaper deliver.

Ambassadors also help recognize those who work hard in our building. They work as teams to create posters and share ideas about how we can celebrate them!

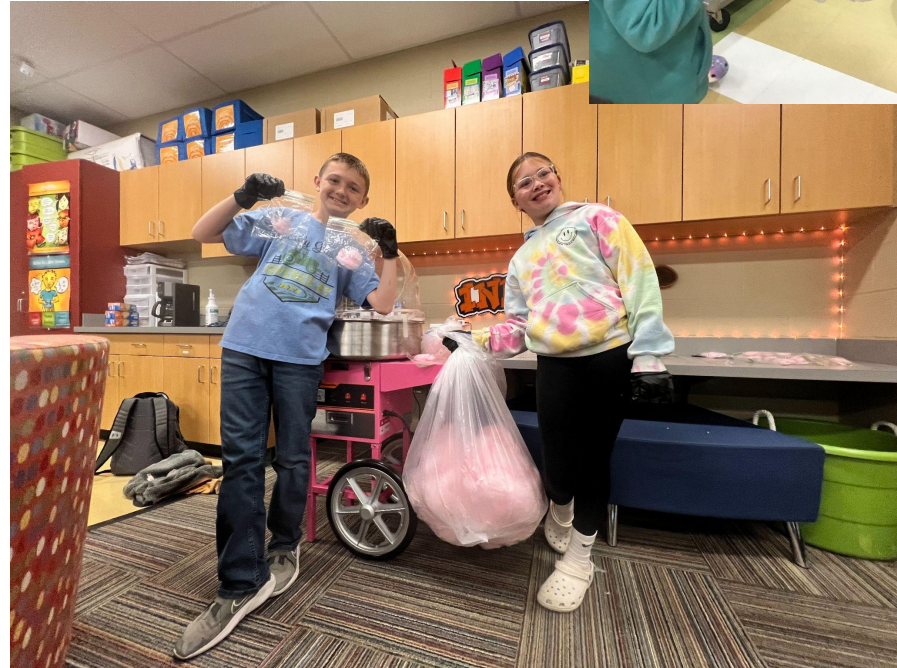

Ambassador Projects

One of the main goals of the LES Ambassador program is to find ways to give back to our school. This includes planning multiple fundraisers throughout the year!

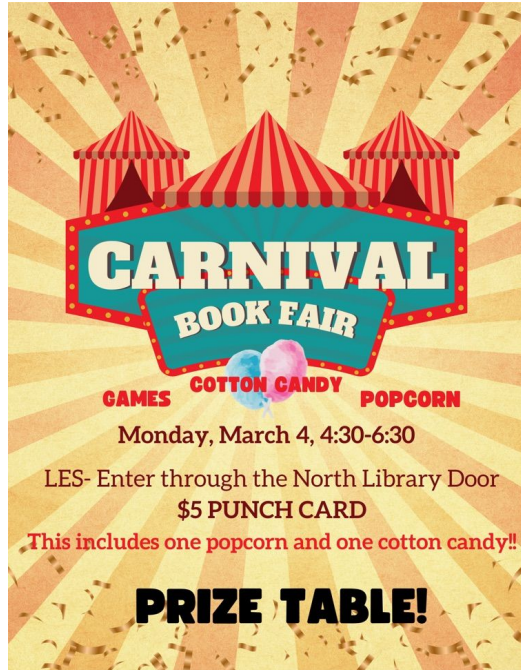

This includes things like:

- Valentines Card Sales
- Ambassador Carnival
- appreciation days

Ambassador Carnival

The ambassador carnival was a fun and great activity! During the Spring book fair we have fun games all around the school that involve prizes.

Tribe TV

Tribe tv is a group of ambassadors that make a film about events in our school.

Ambassador Blog & Yearbook

Ambassador News

The ambassadors decided to create a yearbook that families could buy. The blog and yearbook crews can work together to get pictures of activities going on around the school!

The ambassadors also do everything we can to make our school a great place to be. We promote spirit weeks, create kindness challenges, and even take family pictures.
